AMENDMENT

Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

This Amendment is filed in response to the April 20, 2001 Action issued by the Examiner in connection with the above identified application. A response to the Action was originally due May 20, 2001. A request for a three-month extension of time is being filed herewith, therefore a response is now due August 20, 2001.

Please amend the subject application as follows:

In the Specification:

Replace Sequence Listing pages 1-28 as filed on March 12, 2001 with new replacement SEQUENCE LISTING pages 1-28, enclosed herewith.

REMARKS

The Action indicated that the Sequence Listing submitted with applicant's last amendment did not comply with the sequence rules. In response, applicant has added a description of nucleotides 2 and 14 in SEQ ID NO:6. Additionally, and in compliance with the sequence rules, applicant has enclosed the following:

1. A computer readable form (CRF) copy of a replacement Sequence Listing in the form of a 3 1/2" diskette;
